# How to Upgrade Icelandair Flights in 2025 – Full Process & Tips

Upgrading your Icelandair flight in 2025 can make your journey smoother and more enjoyable, whether you're aiming for more legroom, better meals, or access to Icelandair's Saga Class. This guide covers how upgrades work, how much they cost, and how to secure one.

---

## Can You Upgrade on Icelandair?

Yes, Icelandair allows you to upgrade:

- From Economy to Economy Comfort or Saga Class (business class)
- At the time of booking or later via Manage Booking
- At check-in or even at the airport counter (if available)

---

## How to Upgrade – Step-by-Step

### 1. Online via "Manage Booking"

- Go to [Icelandair.com](http://Icelandair.com)
- Click on **Manage Booking**
- Enter your last name and booking reference
- Look for **Upgrade Options** if eligible

### 2. By Calling Icelandair Customer Support

For personalized assistance, call **+1-844-498-7378** (our team will help you check eligibility and submit a request quickly).

### 3. At Airport Check-in Desk or Kiosk

- Ask for upgrade availability when checking in
- Prices vary depending on demand and cabin availability

---

## Example: Upgrading on a JFK to KEF Flight

John booked a round-trip Icelandair Economy ticket from New York (JFK) to Reykjavik (KEF). After logging in to Manage Booking, he saw an offer to upgrade to Saga Class for \$320. He accepted, paid with his card, and received instant confirmation.

He enjoyed priority boarding, wider seating, gourmet meals, and lounge access — well worth the price.

---

## Icelandair Upgrade Cost (Estimated)

- **Economy to Economy Comfort:** \$100–\$200 (per leg)
- **Economy to Saga Class:** \$250–\$600 (depending on route & time)

Upgrades may be cheaper if booked well in advance or during seasonal promotions.

---

## Icelandair Bidding Upgrade Option

Icelandair sometimes offers **bid-for-upgrade**:

- Check your email after booking
- Submit a bid for an upgrade
- You'll get confirmation 24–48 hours before the flight if accepted

---

## Tips to Get Cheaper Upgrades

- Travel on weekdays (less competition)
- Book Economy Flex fares (more upgrade options)
- Sign up for Icelandair's Saga Club loyalty program
- Look for email upgrade offers after booking
- Be early at the check-in counter to ask about upgrade availability

---

## Frequently Asked Questions (FAQs)

### Can I upgrade Icelandair after booking?

Yes. You can upgrade online via "Manage Booking," by calling customer support, or at the airport desk depending on seat availability.

### How much does an Icelandair Saga Class upgrade cost?

It typically ranges from \$250 to \$600 per flight segment, depending on the route and demand.

## **Can I use Saga Points to upgrade?**

Yes. If you're a member of Icelandair's Saga Club, you can use your points to request an upgrade, depending on your fare type.

## **Does upgrading include lounge access?**

Yes. If you upgrade to Saga Class, you'll receive access to Icelandair lounges and priority services.

## **What happens if my bid for upgrade is not accepted?**

If your bid is not accepted, you will fly in your original cabin and won't be charged anything.
